The Premises:

Nice tidy and clean apartment in Bayswater, easy to find and not too far from the tube etc. Feels nice and safe and private. Nice shower and clean towels etc.

The Lady:

Rebeca is the same girl as shown in the pictures, although there is a little photoshop going on here and there. I'd say she was about the right age as it says on the site (mid-twenties). I actually booked with another girl, but unfortunately she was unavailable at the last minute (it happens!) Angels were very good as usual and they apologised profusely to me about the cancellation and they were quick to arrange a meet with Rebecca instead. She's a gorgeous, what I like to call "real woman". She has all the curves, and she has them in all the right places. I have to admit that if I keep seeing these curvy women, they could soon become my favourite type (and I don't usually do "type")

She's has some natural rolls around the waist etc. and her boobs don't stand up out front all perky like some of the girls have done, but they're natural and really nice! As I said, a natural woman. Loves to chat and speaks great English.

The Story:

Rebeca was dressed in some lovely black, lacy panties and a matching bra, and nice pair of heels. Her hair was tied up, but she still look great. She was very welcoming and very keen to please. OWO was very nice indeed, she likes to mix it up a bit with her technique and seems to enjoy the pleasure she's giving. I liked the way she alternated with the blow job and then moved to put the old chap between her boobs. Real nice experience.

Sex was lovely with her on top, mainly because I got to watch those boobs swing around, and they do swing! Loved it when she squeezed them together and shoved them in my face. Rebeca is a real goer for sure. We switched to missionary and then to doggy and finally with her laid on her front with her legs closed, which was super nice. I should say that she has a mirror positioned to the right of her bed too, and it's great to watch what's going on! Finished with more OWO and COB!
