The Premises:

The place is very easy to find. Only a two minute walk from West Kensington tube station. The street itself is very quiet and no-one really notices you enter the premises. Inside it's very plush. I had a shower before meeting Elizabeth.

The Lady:

I had seen Elizabeth twice before about three years ago so I knew exactly what to expect. Tall, leggy dark haired Romanian beauty with a few tattoos on her arm. Lovely natural breasts and a gorgeous bum. Her English is good and she makes you feel relaxed from the moment she walks in. Her photos on the House of Divine website have her face covered but gives a good enough idea what to expect. That body is just wow!

The Story:

After my shower, I waited a short while in the room for Elizabeth to come in. After sorting the financial side of things out. I lay on the bed and Elizabeth asked if I wanted oral with or without. Without, of course! That was fantastic and she planted little kisses on my cock at my request. Lots of eye contact from her and she winked occasionally, which I liked. Then I asked if we could 69 and she said "maybe" and smiled. This was great too. Another "maybe" when I asked if we could then have sex! Elizabeth has a great playful sense of humour. She asked if I could be gentle during sex. She is not the wild type during sex and deserves to be treated gently. I just had sex with her in the missionary position and did not ask for any other positions. I was very happy having nice slow sex on top of her! Time was ticking away quickly as it always does when with a beautiful woman at House of Divine and I stood up and wanked till I came in Elizabeth's mouth. Elizabeth does everything she says she will do on her list and is determined that you leave satisfied and with a smile on your face. i certainly did. Thank you Elizabeth and I hope to see you again soon.
