The Story:

Sonia was a good looking girl with big perky boobs and a curvy figure. When she arrived i escorted me straight to the bed after a brief chat about my day. I felt this was a little rushed but I was horny so whatever. She dived straight for my cock giving me OWO which was okay. She then let me play with her pussy before starting in missionary which allowed me to get a better view of the main attraction (Her Boobs). She then rode me pretty good after front and back and she let me finish on her big boobs. Overall the sex was okay but not exceptional. It was good to lay off some steam after my meeting before I headed home up north but I've had better and I felt she was there just to get paid, rather being emotionally involved in any way. 5/10
