The Lady:

Melissa is a beautiful 22 year old girl with fake 34C tits

The Story:

She let me play with her boobs and ass before starting in missionary which allowed me to get a better view of the main attraction (Her Boobs which I'm sure she paid good money for). She then rode me pretty good after front and back and she let me finish on her big boobs. Overall the sex was okay but not anything exceptional. It was good to lay off some steam after my meeting before I headed home up north but I've had better and I felt she was there just to get paid, rather being emotionally involved in any way. 5/10
