### The Premises:

The apartment is located in the middle of the city center and is very clean, tidy and cosy

### The Lady:

Seline is a stunning red head with perky tits and a stunning figure and a gorgeous ass

### The Story:

I arrived at the apartment just after 7 o'clock to be greeted by Seline wearing a slinky blue bra and a matching thong. She then took me into the bedroom. Then we proceeded to take our clothes off and began with a hand job followed by a blow job ( best BJ I have every had). After 5 minutes she suggested that she sat on top which I wasn't going to complain about. Then we did doggie followed by me providing oral on her which she enjoyed. we then finished up with mercenary. I would highly recommend Seline as she has got a brilliant personality and is brilliant to spend time with. This is my second visit to her and I am already booking the next visit soon.

See you soon

Love Daniel
