The Premises:

The flat itself was clean and tidy and located close to the station. Not hard to find if you have google maps on your phone. The area did not seem dodgy at all and I seemed comfortable throughout.

The Lady:

Mimi seemed even better than her photos. Her petite breasts were everything I were hoping for and her perky backside was a joy to see naked. She is an average height and her shoulder length blonde hair makes her look like the model type.

The Story:

I turned up at Mimi's apartment and was greeted by her at the door. First impressions were that she was almost better looking than her photos and was very slender and youthful. We had a quick talk about what I wanted and started kissing in the bedroom. After some initial groping and foreplay, Mimi took control and kept in mind what I had said I liked. The sex was great and she definitely knew what how to please me. Overall, a good experience.
