The Premises:

It is 10 mins walk from Shadwell station. Her bedroom is at the ground floor .The shower room is upstairs and the shower was awful water was cold.

The Lady:

Mia is average looking, around 5 feet 6 good size tits, stubble on the legs. She seemed bit cold and mechanical. Her profile stated she is 22 but could be 25-27 year old or even older from the wrinkles on her forehead. The picture on here and on her profile could be few years old.

The Story:

I walked in. She showed me the shower room while she was sitting at the staircase we came down the bedroom. She undressed. I licked and touched her tits for a while then we went lied down on the bed. She kissed my chest then gave me covered oral. I wanted to finger her and licked her pussy she said she did not do RO and fingering for 30 mins appointment. We moved to missionary she reminded me 10 mins left. Then we changed position to doggy she reminded me again 5 mins left I cum in the condom she cleaned me up. Someone knocked on the door she told them she was busy. I dressed up as she looked bit impatient and wanted me to leave asap probably the next punter was waiting when her friend knocked on the door
