The Lady:

Physically accurate as per the AW profile, in fact prettier in the flesh than the photos.

Profile claims she is Croatian from Serbia, however she states she is Ukrainian, which I did believe.

The Story:

This lady advertises a three tier pricing structure, Erotic, Pamper, Mutual. I opted for the £140 'Pamper' hour service. This was stated to include shower together, Body to Body Massage, French kissing & Oral. The subtext on the profile promotes this as better than Full Service which it claims can be mechanical and cold. I was offered a shower and to my surprise upon asking if she was joining me for a shower together (as is normal when this is on offer) I was told that she would shower together afterwards not before. A bit strange but there is a first time for everything so ok, I thought, let's go with the flow.

Showered now I lay face down on the towel on the mattress, what followed was a pleasant body to body oily massage with breasts, legs and arms. After some 15 minutes her hands explored between my legs and rubbed my balls and perineum. 5 or so minutes of this and I was asked to turn over, which I duly did, and for the first time saw Martina naked. Lovely body I thought and good wholesome tits, not too small and no way too big, perfect. She oiled up my front and continued with the body to body. My hands wandered and was feeling up her entire body within reach although she was writhing around so didn't get my hands down to explore her pussy. She was giving me deft kisses on the cheek and lips, but no French kissing was on offer, despite me asking. I stated that it said on her profile that this was a service she offers to be told 'it's a mistake' BIG DISSAPPOINTMENT,

So now NO shower together and NO French kissing. By now her hand was rubbing my erect cock which felt nice, so much so that I felt I wouldn't hold on for too much longer so I asked her to slow so I could save my cumming for the oral. To my surprise she said again, 'I don't do that'

FFS!!!! I thought. I again pointed out that it was main feature of her offer on her AW profile, but no she said, 'it's a mistake' they keep putting wrong things on there. I had lost hope now, so asked her to finish me off manually and then I got dressed and went. I was in and out in 40 mins.

If I'd wanted an oily wank b2b I could have got that for half the price in a more local Chinese massage shop, at least I would have got value for money, not lied to, deceived and robbed. Her delivery of what I got was fine, but no way worth the money I paid believing it to me a more premium service. I think if this girl was working under her own steam, she may be fine. BUT I got the impression she is on a conveyor belt of girls parading through this flat controlled by others for their financial gain.
