The Premises:

It was a block apartment easy to get inside pressed the flat number and she let me in. Parking was ok there was a Sainsbury there and I parked there. Very clean inside flat and shower was very clean

The Lady:

Alexa is stunning she's Romanian dress size about 8 beautiful face enhanced breasts and they look amazing very nice size and suit her body. She had nice make up done and dressed in a very sexy lingerie.

The Story:

Soon has she opened the door she greeted me with some dfk which made me feel like I was in for a good time already. Then she took me to bed room holding my hand we then sorted out the paper work and she went away for a minute and back and and straight to dfk again and loads of it that lasted a few minutes then she did some owo with a lot of spit and made it very wet after this she said let's fuck so we did and she is very very tight and absolutely amazing experience and very highly recommended.
