### The Premises:

The apartment is located in between Edgware Road and Marble Arch. Flat is modern and the area is well known to the punting world.

### The Lady:

Girl was definitely not the one in the picture. Claimed to be Dutch but I reckon it's Romanian as during the punt I overheard conversation from the other room where they were definitely not speaking Dutch! The girl was quite well built, not fat but very athletic, stand about 5'8. If you're into petite girl she is not for you.

### The Story:

Overall, I didn't really enjoy the punt but I was very horny and my brain was controlled by my dick at the time rather unfortunately. OWO was delivered but I felt there was a lack of effort. Sex was decent although you could tell that she was just going through the emotion and she never looked at me once even in cowgirl and mish. What irritated me the most was her smoker's breath - I explicitly told her an hour before the booking that I don't want her to smoke before seeing me and she (or the maid) simply ignored my requests despite replying "yes, ok".
