The Premises:

tidy enough, nice enough just standard escort fair i guess. good enough nothing special

The Lady:

tall, long dark hair, not as attractive as her pictures but a great body long and slim with legs that went on for ever. nice personality too.

The Story:

chatted for a bit and she is actually really funny. one of those you could take to a bar and enjoy time with.

after she started to stroke my leg i was done with chatting and wanted to undress her so i asked. she was happy for me to do my thing and take my time undressing her. she did the same once she was naked.

trim fanny and she used her hair in bed sweeping it across me at various times which was hot.

she gave a more than passable blow job and the sex was also very good. good kisser and good with her hands.

recommended.
