The Lady:

Petite girl with big natural boobs. Very sexy. Certainly not 19 though! More like 24 or so.

The Story:

I can see why Amona is in the top 20 for her agency, she is a gorgeous girl with slim body and naturally big boobs, what every man wants really! However, I don't think she's 19 having been punting for so long, I can tell when these girls are lying about their ages. I would say she's more like 24 with her experience. She arrived on time, looking hot and ready for business. After freshening up we had some foreplay before she gave me a sexy naked lap dance and hopped on top of me. I loved watching her fantastic natural D's bouncing up and down! Even gave her nipples some sucking while she moaned enthusiastically. I finished with her in reverse cowgirl having had a great time. We relaxed for a while, chatting and drinking wine before our time was up. Will be seeing Amona again.
