The Premises:

Belinda was a lovely girl. She has a nice place in South Kensington – somewhere I've been to more than a few times! It's neat and tidy and has excellent facilities.

The Lady:

She looks like her pictures, but there has been a little touching up etc. Her "selfie" on the website looks pretty close however, so you'll get a good idea. I'd say her age is about right.

The Story:

Belinda has a lovely body, as you'd expect from a young girl like that. She was dressed in a red bra and matching knickers when I arrived, with some nice lipstick and a pair of heels. She was clearly ready for action! She speaks pretty good conversational English (not that we did too much talking. After my shower we were straight down to some OWO and she's pretty good at this. She doesn't go mega deep, but I'm quite a long chap and there are few who do really to be fair. She had a good go though, and she does like to make it nice and wet and use her hand at the same time too. A nice technique.

Her boobs are by far her best quality in my opinion and I had to start by having her on top. This was very enjoyable indeed and I could quite easily have lost control and shot my load right there had I not controlled a little. We switched around a bit, missionary and doggy, and she's great in all these positions. But I got so involved with those boobs that I simply had to straddle them and get a great tit fuck. She kept looking at me and smiling as she put more lube between her boobs and squeezed them together for me, and I took my time, really enjoying it. I could have done it all day actually, it felt so good. I wasn't going to cum like that just yet though, so we cleaned up and she finished me with some OWO and a handjob.

A lovely young girl, shame about the photoshopping a little, but still very beautiful and really quite talented. A bargain at that price in any case!
