The Lady:

Wow, Kristen's face is blurred on the pictures, rest assured she is very pretty. Early 20s, about 5ft 5, perfectly proportioned. Outstanding breasts, shapely calves and legs, pretty feet, cute bum, pretty pussy. She was dressed in black stockings and matching black bra and knickers. Charming simile.

The Story:

I came for a walk in and had no pre conceived ideas about who to book. I didn't even know who was working, I'd been working to a tight deadline and had just finished the job. I rang the door and asked if walk ins were available and I wanted a lady who was able to give me a massage and was happy to kiss. I was extremely lucky because it was Kirsten that was free and was happy to do both.

So after the intros, stripped off and lay on my back and Kirsten began, and I felt work stress disappear. After the massage I turned over and Kirsten undressed and as soon as she took her bra off, I was aroused. Kirsten is a seriously sexy woman. Some kissing, proceeded to oral with, and she managed to slide the condom over me with her mouth. Really skilled oral, and she positioned herself so her shapely legs were alongside me and I could stroke her luts, and for some reason I had the desire to suck her toes. Then progressed to cowgirl, nice nipples to suck, and finally missionary. A nice chat after she is a friendly, intelligent young woman, excellent English, happy to help. Thanks for a great time.
