The Story:

I Always try to be positive, as I appreciate what these Ladies do for us / me.

However, I won't be taking out a Skye subscription anytime soon. Lovely, personable Liverpoolian Lady, but just not what I expected based on photo's and in comparison to other visits have to give low marks. Skye did what she does okay, but could not be described a "porn Star Experience" far from it.

I know its superficial but Skye's hair and look was not my taste or what I expected based on the website pictures, her personality so felt comfortable in her presence, but the sex was below average.

But like everything you have to take a chance and have a change but I think I'll go back to my known Ladies next time.
