The Story:

I met Millie back in 2014 and wondered mmmh 4 years. The experience was great she is a very sexy woman who is cheerful and relaxed. Stroking her lithe body while she sucked my cock was a fantastic experience. Her pussy was firm against my tongue as in 69 I pushed and tongue fucked her pussy and stared at her puckerd arse. She was very active with my balls and I ached to cum in her mouth which after chat, kissing and more feasting on her body and licking her breasts, I did. A long shuddering orgasm with her squeezing my balls and despunking me. Then the expected snowball.

Millie then gave my codger back a pleasant back rub and we chatted about 4 years. The Friday had a glow as I stepped back into the bustle of London. I recommend. much much.
