The Story:

Katie literally just bounced into room 1 at MN.

We started kissing standing up and then she removed her red bra for me to see her perky tits. I took each one in turn in my mouth, flicking my tongue over Katie's nipples, which she seemed to enjoy. She then removed her knickers and then lay down on the side of the bed with legs akimbo. How could I resist such an opportunity? I spent a good few minutes licking her tasty clit and pussy lips before she came. All the time I could feel her heels on my back which for a shoe lover like me was divine.

Now it was my turn and I laid in the same spot whilst Katie took me in her mouth, and sucked my cock whilst pinching my nipple with her free hand. On with the cover and I just knew she would get on top of me. No moving up and down away from me though, she leant forward and kissed my ear and neck. Wow!!

There was no way that I could finish without seeing Katie's lovely arse, so she positioned herself at the side of the bed and I fucked her from behind until I came.

Lovely girl and fantastic sex.

Thanks Katie.
