### The Premises:

Unremarkable apartment near Sainsburys in CMK. Perfectly adequate, though a chair to put clothes on would be a useful addition.

### The Lady:

Jess is a naturally pretty young lady with a perfect, tight little body. Early 20's, about 5'5", slender, flat tummy, pert little bottom, probably a B cup (but they look quite large on her tiny frame), lovely all-over tan, long dark hair and a very sexy smile. She came in looking hot in sexy black underwear and heels.

### The Story:

The short version is that I had a very pleasant half hour spent in the company of a gorgeous young lady.

In more detail..... on seeing Jess enter the room in skimpy black underwear and heels I knew this was £60 well spent. A quick kiss on the lips and the paperwork out of the way we retired to the bed. After going over what each of us liked and disliked we proceeded through very well performed oral, 69 with Jess on top, cowgirl, spoons, missionary and finally doggy before an explosive conclusion over her beautiful breasts. Throughout the meet she was happy to take direction and both oral and penetration were nice and deep. We finished a few minutes early and spent the remainder of the time chatting.

If like me you're looking for a beautiful GFE or have a girl next door fantasy then Jess is the perfect companion.
