The Lady:

She's from Romania and a brunette, pictures at the time did not do justice, is a size 8-10, not a 12 like the images indicate. Tall and a good back, one discrete tattoo. Listed as 27 but I would have said really 33, body is well looked after and could be mistaken for 25 year old.

The Story:

Not going to go into the details, I came with specifics and she delivered. She was a genuinely nice girl, seemed to enjoy the time and obliged to my requests, enjoys owo, however no french kissing but is not on her list of to do's. She's able to give a good massage and enjoys being kissed. Would certainly recommend
