### The Premises:

A very nice, clean flat under 10 minute walk from Victoria station, there are very nice shower facilities too.

### The Lady:

Dominique is absolutely stunning with a truly beautiful face and a body to die for! She is around 5'8 but was taller in her killer heels and her pics on the HoD website are accurate but she is SO much hotter in the flesh!

### The Story:

I arrived a bit early and was shown to a nice room by the very friendly maid who offered me a drink and told me Dominique would see me shortly and my excitement and anticipation on seeing her was perfectly matched when she came in wearing very sexy leopard skin lingerie and black hold up stockings and killer heels that stayed on thankfully throughout my amazing experience with her. She is a very friendly girl with a fantastic smile and personality and I just couldn't wait to get my hands (and everything else) on her! We stood standing and kissing very passionately for a few minutes which made me rock hard in an instant and she obviously felt this and slowly kissed down my body and gave me THE most amazing OWO and I hold back not to explode there and then as her lips and mouth are just mind blowing. There were 2 mirrors in the room and we both enjoyed looking in them for different angles which heightened the experience even more. I couldn't wait to return the favour on her and she took off her lingerie, laid down on the bed and after more very sensual deep kissing I explored her amazing body with my mouth and tongue, licking and sucking her pert nipples which she absolutely loves and then down to her sweet divine pussy which tasted so damn good and was so pleased when I made her cum hard with my tongue. She said that she doesn't like much pressure with oral on here and no fingers either but soft and gentle really did it for her! I asked her what position(s) she liked and she said from behind but I knew if we started there I would cum too soon and as I only had 30 mins I wanted to savour every second so we started in missionary and she felt so tight as I slowly slid into her and we kissed passionately again throughout before she climbed on top of me while I sucked on her pert nipples again and I joyfully made her cum hard again. I knew I was going to cum myself quite soon but just had to see her and

her absolutely beautiful peachy bum bent over in front of me and I just had to take a moment to just look and savour that sight before thrusting deep inside her and fucking really hard which she seemed to really enjoy too. I really wish I could have spent more time with her as half an hour really isn't enough but time was running out so she jerked me very skilfully off again whilst looking in the mirrors and I came VERY hard and a lot all over her beautiful tits which made her purr like a very hot cat that got her cream. We only had time for a quick chat whilst cleaning up and she really is such a sweet girl but obviously with a very wicked side too. I believe you can have a perfect GFE or PSE with Dominique and I really can't recommend her enough and will definitely return to see her again, she's simply amazing!
