The Premises:

An eleventh floor flat in a modern block. I had to take the lift from the ground to the 8th floor and walk across a podium to her block to go up to floor 11. The ground floor entrance was very discreet. The flat was very modern and clean. It was about a 5 minute walk from Woolwich railway station.

The Lady:

A dark haired, petite European girl with firm C cup breasts.

The Story:

I really enjoyed my session mostly because Maria was very friendly and easy going. We had covered sex in doggy position and she finished me with a slow handjob. I would guess she does other service most probably with protection.
