The Premises:

The Lady:

Serena and Emma both gorgeous ladies with fantastic bodies and sexy smiles.

Serena a young looking mature woman with a physically fit body. Italian an American

Emma a younger lady with a fit body. Mixed light skinned lady.

No pictures on the website, but Pat did give me descriptions and he was spot on.

The Story:

I offered the ladies a glass of wine after taking care of the paper business. Had a great chat. Serena then showed Emma and I some piltsie moves and just went from their. We all got naked and the ladies were DFK and OWO as well as pleasing themselves. We did many positions and I can say they both tasted fantastic. They really seemed to get into the play. Seeing them both kissing and eating each other was truly a sight to see.

Had one on my face the other riding me. Then they switched around. Truly something I will remember.

Then onto doggy while they ate each other. Yes, Serena's beautiful ass in the air eating out Emma. We then switched to Emma's ass in the air while she ate out Serena. Most fantastic views I have ever seen.

They were not shy about sharing my hard one with some of the best OWO I have ever received.

After all was said and done we had a drink in the hotel lounge before they left

Both made me feel they enjoyed their time and being with me.
