The Premises:

My hotel room at Hilton Park Lane

The Lady:

Natural busty sexy lady, beautiful, accurate pictures; and very open minded. She speaks fluent English, and alleges that she also speaks some Italian, Spanish and French! I'll have to take her word for that.

The Story:

Serenity arrived at the hotel on time. I offer some wine, we drink and chat for a bit. She start kissing me...I undressed her and it was wonderful to see her fantastic curve Brazilian body.

She kissed and caressed me everywhere.

Her BBBJ was incredible and her eyes locking at my eyes while I cum on her mouth are hard to forget. After the first round and a little rest it was she who wanted to start again.

For round 2, she began another BBBJ, and then wrapped my package. We had some CG and RCG, before I stepped up behind her. After a few strokes, while thumbing her ass, I slipped in. I'm not always a fan of Anal, but her ass was just so gorgeous, I couldn't resist. I will definitely see her again.
