### The Story:

Anna came into the room dressed in black lingerie and black hold up stockings and high heels and greeted me with some light kisses and small talk and I fondled her bum cheeks whilst she fondled my dick and then took off her top and let free her lovely breasts so I could play with them some more . she then removed my pants and we laid on the bed whilst kissing and fondling each others body . She then gave me owo and i returned the favour with squeals and moans of delight . She then slid a rubber on and climbed on top for some vigorous fucking and then into doggy and missionary and a hand job and sucking . Due to my own stupidity I had applied too much delay spray and couldn't finish in the time allowed . So Anna slipped another rubber on and climbed on top to try and finish me off to no avail. I think she was disappointed that I hadn't come but it was my own fault and certainly not for lack of trying on Annas behalf. So i got cleaned up and said that I will return again sometime soon . I look forward to seeing her again for a second session .
