The Premises:

The usual MKE location. Saw another Customer enter so held back a few minutes to avoid any uncomfortable cross overs. Easy parking and petrol station across the road has a cashpoint

The Lady:

Lovely looking lady. Definitely early to mid twenties. 5' 8 without heels in. Was wearing a lovely set which enhanced her lovely boobs and body. Facially nice looking - the kind of girl you wouldn't be afraid to call your girlfriend and introduce to your mates!

The Story:

Had an urge that needed to be satisfied - being separated from the wife and having a healthy interest in sex meant I was looking to meet that urge and decided to bite the bullet and call up to meet Morgan whom I've had my eye on for a while since she ticks all my boxes. Brunette, lovely big tits, fair skin, a good looking girl...

She walked in and we dealt with the formalities. Then onto some nice FK. She then started to strip me (I helped a bit too as I was keen to get cracking!). Soon I was naked and she was gently caressing my cock like it was a baby rabbit. I think she could tell I am a clean man, and got straight onto OWO (she asked if that was alright and of course OWO is my preference and no descale by baby wipe needed!). Then we tried titwank on those lovely boobs of hers. Perhaps they are a bit less 'bulky' as the pictures on the website portray, but I'd put that down to her possibly losing weight which can cause this. Anyway, they were still lovely! On with the condom and sex in Mish, cowgirl, and doggy. Did some RO which I think she enjoyed. Was getting to 20 mins and really wanted to CIM. So off with the condom and a lovely OWO sloppy BJ preceded which soon got me going. Lovely technique. Shot into her mouth and she spat out onto her tits. Complemented me on the volume I'd supplied. Testament to the lovely technique to be honest! I was flat on my back at this stage and recovering!

Got dressed and she mentioned as I believe she had to other clients that she wished she had smaller tits. Perhaps that's true, and perhaps dresses might be easier to buy, but I think her proportions were perfect.

All in all, a lovely energetic punt, would definitely recommend. If you read this Morgan... keep those 'bad boys', they are perfect!

Will arrange to see her again I'm sure!
