The Premises:

Gulya lives in a nice flat in Earls Court, close the tube station. If you're not a fit gent, you might want to avoid, it's on the third floor and there's no lift. No trouble for most though, I'm sure. Inside the apartment is really clean and tidy, nice shower etc.

The Lady:

Gulya is absolutely gorgeous, make no mistake about it! She's that classic, skinny (but bit too skinny) Russian model type. She looks like her pictures, and she really does have that figure. In fact, she looks much better than her pictures really. As far as age is concerned, I'd put her about mid-twenties. Really, really pretty girl! Her English isn't the best, but she tries and has quite a good sense of humour. She's well-travelled and pretty bright I think.

The action was great, I have to say. I paid the extra £20 for CIM at the beginning and all that was taken care of. Gulya was wearing a natural coloured pair of hold up stockings, some very tiny panties that went right up her arse, and bra. She was enthusiastic and energetic, a warm smile and very fresh faced. I knew straight away when I saw her that I'd be in for a good time.

I undressed her and marvelled at her body. Lovely tiny waist and an ass that's tiny and nice and firm. I could very nearly put her entire ass in the palm of one hand. She started with some bloody brilliant OWO. Another who would rank up there as my favourites. She kept moving her hair out of the way too, so I could get a good look. Could have let her finish there, but I had to try more. She came on top and rode me so well. Her lightweight frame moves easily up and down. Then she got onto her feet in real squat position and went up and down. Then leaning far back so I could play with her at the same time. Really good technique. We then did it in missionary, with lots of kissing

and I could reach around and grab her ass as I banged her. This felt great, and she wrapped her legs right around me tightly which felt really nice.

Doggy was good too, intense also as she took the whole length with some little moans. She came in this position and collapsed onto the bed where I then pushed her legs together and fucked her slowly like this for a while. WASn't long before I whipped the condom off and she was sucking it again, ready for the finish. And what a finish. CIM and she continued to suck, making me wild!

Not a bad thing to say about this one really, I have to say. Her massage at the very end wasn't brilliant really, but it was nice to be pampered, and she enjoyed chatting too for a while. Her English isn't that good, but she tries very hard.
