The Premises:

A nice and clean apartment that smelt absolutely lovely and was as tidy as one could hope for. Akela even let me use her washroom to clean up afterwards and I could not have asked for a better place.

The Lady:

Akela looks exactly like her pictures and is an absolute model of a woman. A once in a lifetime body with breasts to die for. She is small, with cute cheek dimples, but pulls it off whilst also being stunningly sexy.

The Story:

Akela is an absolute dream of a girl and provides a once in a lifetime experience. After a long kiss with tongue, she asked what I wanted to do next, going down on me and spending time to make sure everything was going well. She took control of the situation and worked to make sure I enjoyed myself. Her body was absolutely stunning and the sight of her herself is enough to make it worth it. After a long session, she let me clean myself up and I left wishing for more. Will definitely call again.
