The Story:

Wow where do I start. If you read reviews with cynicism then probably best to stop reading now as it only gets more and more positive. I had tried to make a booking with Kristen earlier in the summer when she was touring independently. Sadly her London tour finished the day before I arrived in the capital but we followed each other on Twitter in case schedules aligned in the coming months. Fast forward to October and I was amazed to find Kristen on the HoD schedule whilst I was in London for an evening concert. I booked a few days in advance and sent a text to confirm on the morning of my appointment.

I was shown to the room by the friendly maid and a minute or so later Kristen arrived. I was a little shocked to start with as profile and Twitter pictures of Kristen's amazing figure suggested a lady perhaps in mid to late twenties. So when an absolute stunner who looked barely out of her teens wearing a fishnet body stocking walked in I was pleasantly taken by surprise. A Romanian girl aged 22 with long dark hair and the figure of a model Kristen is a sight to behold. A quick introductory chat about previous Twitter conversations and attempted bookings and we were away. Kissing is closed mouth and as I laid on the bed Kristen started the most incredible OW. Oral without would have been more preferable but when your oral skills are as good as hers it's almost impossible to tell the difference. I knew this in advance anyway having read her website profile and it wasn't an issue for me. A few minutes in 69 before onto some reverse oral as I could feel myself getting a little too excited and needed a breather. With a mixture of oral and manual stimulation Kristen came. A few minutes rest and I asked Kristen if she would start off with reverse cowgirl. No problem at all but I could only last a few minutes before being worried that I would finish too soon. Kristen has enhanced breasts but whoever carried out the procedure is a fucking genius as I couldn't tell the

difference and I only knew when Kristen told me. Kristen turned around and rode me normal cowgirl and as she rode me I sucked her ever enlarging nipples, I just couldn't last any longer. This girl has some skills and I climaxed far earlier than I wanted to. I was a little disappointed to say the least but she wasn't bothered in the slightest. It just means we've got longer for round 2 she said. Kristen suggested a massage which I greatly accepted and after a few minutes I returned the favour. Sitting astride this young hottie soon had me ready for round 2 and we were quickly off again. The next half hour was an absolute blur of missionary, doggie, spoons, more cowgirl, prone bone, I was in heaven but quite frankly absolutely fucked. As time pushed on I told Kristen that it was unlikely I would pop again. Well you won't if we don't try she said. With just minutes remaining Kristen was still trying her utmost to suck and wank me off to completion for a second time. I had to admit defeat however. As I waited a few minutes for Viva to vacate the shower Kristen and I chatted and I was more than taken by her friendly manner and wonderful personality. After a freshen up and a final hug and kiss I was on my way absolutely buzzing.

I've had the privilege of meeting some amazing ladies over the years including some of the well established and positively reviewed House of Divine girls. This amazing young lady and the time spent with her is absolutely up there with the best of my escorting experiences. Her stamina, enthusiasm and willingness to please has to be seen to be believed and her body is absolutely fucking stunning. If I don't get to meet her again I will be genuinely gutted. An out of this world hour with a young lady who I've no doubt will become a Superstar of the escorting world.
