The Story:

Fit girl but her English is so bad that I found it hard to communicate what I wanted from her and at times had to physically show her what to do or put her in certain positions which ended up wasting some of our already short time together! I still had a good time once we got going though. Elayne has great big perky tits which are perfect for a nice tit wank however she doesn't let you finish on them without paying an extra 50. Wish she'd told me that before I did it! Anyway she's a decent one if you don't need much talking or if you speak Romanian already aha. Very attractive girl still.
