The Story:

Paloma has got to be one of the fittest girls I've met up with. In my experience when these girls say they're 18 they usually aren't but paloma definitely looks like she is! She's got these sexy bright baby blue eyes which just scream 'come to bed' when she looks at you. Perfect perky little body as well so couldn't believe my luck when she showed up at mine. I had a shower and when I came back to the room she was naked on my bed touching herself and gesturing for me to join her! We started kissing, touching each other and then she gave me a nice long blow job, going nice and deep with ease. She hopped on top of me, letting me cup her sexy teen tits as she moaned loudly. I had her move to reverse cowgirl and I came soon after as the view was just too good. This one is a diamond and I've already seen her again twice since!
