The Lady:

Best arse I've seen. Cute young girl

The Story:

I think she is quite new to the game as she's quite shy and timid, but at only 18 it was endearing and sweet instead of off putting. It also meant she let me take charge and show her the ropes. Olie wanted to please and did everything I asked keenly. She sucked my dick quite well but could use a bit of practice, happy for her to keep practising on me haha. Best thing about her is her amazing arse! It's nice and perky on this little frame. She was chuffed when I asked her if she squats cos her arse is one of the best natural ones I've seen. Had to get her into doggy so I could have a proper grab of it and she even let me take some pics with her back to me so I've got that perfect arse saved for later!!! If you're an arse man, definitely book olie lads!
