The Premises:

HoD is always my default choice in London. Almost without exception they have attractive girls who provide good service at reasonable prices in comfortable surroundings.

This branch was new for me but is a short walk from Pimlico tube and easy to find yet discreet.

The Lady:

Possibly older than advertised - I'd guess mid 30s. HOD website photos as a general rule are also more flattering than reality but nevertheless a very attractive woman - nice long chestnut hair, slim figure, nice pert natural tits and facially attractive. Was pleased with my choice from an aesthetics viewpoint.

The Story:

The service was top notch. Viva is a very engaging and pleasant personality and manner which would put newcomers at ease. Nice dfk whilst standing up, we undressed each other, nice teasing by her and absolutely brilliant blowjob (owo) - knows how to press the buttons and knows how to work the speed, angles and saliva. Moved onto doggy for a bit but just had to get back to getting sucked off and that is how I finished.

Nice post-coital bliss offered to take me up to the full 30 mins - Viva is definitely not a clock-watcher. Overall, a fantastic experience and I hope I have the opportunity to see her again.
