The Premises:

New premises - not too far from their previous address but nearer Edgware Road. It is a basement flat so involves a climb down some stairs. They have changed the rules now so the minimum visit is 1 hour so as to minimise the chances of punters bumping into one another. However given i was not aware of this change they were happy for me to have my usual 30 min slot.

The Lady:

I've punted with hundreds of women over the years from all over the world and had no shortage of women in my amateur pursuits but as a proportion, there have been very few black or mixed race women in the mix.

Samantha is a British mixed race girl in her early 20s. She is stunning looking and has a great natural figure which I guess is about size 12 and has huge, juicy knockers. For aficionados of 90s porn she reminded me of Charmaine Sinclair which is a very high compliment.

The Story:

As mentioned, I have had 100s of punts so have very few unfulfilled fantasies left. One of them is to have a 4 girl orgy/reverse gangbang with 1 white girl, 1 black girl, 1 brown girl and 1 yellow girl. I noticed in the HOD Rota they had blonde Adrienne, Apple (a Filipino) and a black girl so was tempted to at least have 75% of my craving but decided to wait for all elements to be aligned. As a fallback, hoped to see Adrienne who is my HOD favourite but I was on a tight schedule and the timings didn't quite fit. Instead I called upon LSG as I have a slight kink for submissive services and my general experience with LSG has always been positive.

My eyes lit up when I saw Samantha as I wasn't expecting someone so attractive and talked through my preferences which was a secretary roleplay. She entered in a white blouse and black skirt and was admonished for her shoddy work. I bent her over, hitched up her skirt and gave her plump arse a good spanking. I then had her on her knees where she was ordered to take out and start wanking her cock before I had her stand up and took her amazing tits out for a good chew. Moved onto the bed and she gave me a covered blowjob (my one criticism of LSG is that oral is covered but I guess they cater for more specialist services) and finished with a handjob.

It could have been better but this was due to my performance not being as good as I was tired and distracted that day but nevertheless a very enjoyable experience with a beautiful and very friendly and engaging young woman who I hope to see again.
