The Premises:

Clean spacious apartment between Earls Court and Kensington High Street. I have actually been there before when visiting other ladies from the same establishment. All good except a few more mirrors wouldn't go amiss.

The Lady:

Small but perfectly formed. Subil is very attractive lady with a perfectly proportioned, toned body. Looks a lot younger than her pictures. Dresses immaculately, sexy yet stylish. Apparently she has dabbled in adult entertainment but I found her manner quiet, demure, almost shy. Still, very friendly and welcoming with an alluring sexy accent.

The Story:

Adult entertainment is lost on me as I am captain vanilla. As I was there for two hours we chatted a while, then she indulged me with some outfit changes, then ablutions, then good clean fun.

She is very attractive with an incredible body which helped keep me aroused through the shennagians. She doesn't like oral but is happy to provide, and does so expertly. Slow sultry sex in a few positions before finishing in doggy in front of the sole mirror. Very sexy, very enjoyable, what is not to like.

A wonderful lady. Quiet but warm natured and accommodating, I appreciated her company. Hopefully I will be back soon, maybe see if she's game for some role play.
