The Premises:

Blue Belles is in a quiet part of Bury, albeit on a main road with the door at the front so a little exposed. Very security conscious so ended up waiting a few seconds in the doorway before being buzzed in. The place seemed clean enough if a little basic. The room was okay, clean enough and functional.

The Lady:

Julia was a pretty girl of about 5'5 tall with dark hair, a curvy figure and c-cup boobs with very erect nipples from the get go. She had a sexy little accent and it turned out she was originally from Latvia but has lived in the UK for quite some time. A very warm smile and greeting when I arrived and was presented with a little parade of the available girls and Julia was wearing some sexy lingerie. As she lead me upstairs to the room I got to admire her shapely ass. All in all a very pleasant site given there was no information on the website about the girls working there.

The Story:

As a fairly infrequent punter I wasn't sure what to expect but I was pleasantly surprised. Getting in was a bit of a faff but once in it was a nice place to be. The lady on reception was very friendly and explained how the payment worked for my half hour session and then invited the girls out to meet me. I had 5 or 6 to choose from and Julia's smile caught my eye. After paying my house fee I was lead upstairs to a clean if a little basic room. Julia was chatty and friendly and more than happy to cuddle a little. She asked if she could have a cigarette even though she wasn't supposed to and that was fine with me. I'm a non-smoker so it just felt that little bit more naughty.

We kissed and cuddled and it was obvious that she didn't really like full on kissing but with a little persistence her resistance waned and she was a little more into it. Before long we were naked and on the bed, Julia letting my hands wander over her boobs and between her legs while she caressed my now erect cock. A bit more kissing before she let me go down on her which she responded to eventually. She then put on the condom and gave an amazing covered BJ whilst letting me play with her pussy. I knew after a few minutes of this I wouldn't last much longer so we got into the missionary position to finish off with a good little fuck.

All in all it was a nice time. Julia was fun and friendly and quite tactile, although not a full GFE as I'd have liked but I'd definitely go back to see her again.
