### The Premises:

Basement flat in Victoria, the end room next to the entrance.

### The Lady:

The first girl sent in was a very pretty, young girl, which I realised was not Chardonnay but Alexa. When Chardonnay did enter 5 minutes later, the comparison was not favourable to her, unfortunately. Chardonnay has a lovely body and is very open and friendly but facially I didn't find her attractive.

### The Story:

Chardonnay provides a good service with the exception that she does not allow RO. She is also a bit of a clockwatcher. At the end, I found I still had 5 minutes left, but I didn't really mind. Overall, a neutral recommendation.
