Cherry has an amazing body and fabulous pair of breasts, the pictures on the website are pretty accurate.

The Story:

It was a late decision to make an appointment with Cherry due to Gabriela being fully booked but the services offered were what I was looking for and her reviews were very positive.

Cherry looks amazing and has a gorgeous bottom which I was very happy to touch as often as possible but unfortunately there was absolutely no connection between the two of us. It was the first time that conversation with a lady was almost non-existent and I struggled to get more than a couple of words out of her (which wasn't due to there being a language barrier as her English was very good).

While the appointment was OK, I certainly would not be looking to book Cherry again in the future which is why I cannot recommend to other guys, sorry.
