The Lady:

very beautiful brunette really sexy not too tall not too little just the right measure she matched her photos really well and seems relatively young too.

The Story:

it was a great experience with Anabelle she attended me really well she made sure to satisfy all of my needs we bonded very well and got along very easy so I was more than happy to have met such a great person such as her, despite the title time we had it was more than enough to have left me wanting for more and I can assure that I will be coming back for more.
