The Story:

I was dubious in booking missy as I'd heard how popular she had become in the few weeks she's been at this place, and unfortunately whenever I was free, she was either not working or booked up. I pre booked her the night before. She definitely did not disappoint. I was greeted, albeit a few minutes late after a miscommunication. I paid her fee and what followed had to be the best experience I've had to date. I wasn't sure what I wanted from the session so opted for a massage to start with. Missy gladly provided this, she's an absolute expert. What happened after between us I can only describe as amazing. So attentive, friendly, professional. Literally incredible the best woman I've ever seen. I hope to see her again soon x
