The Lady:

beautiful blonde quiet young very curvy beautiful ass and great tits too look young around her 22 or something her photos match her well.

The Story:

it was a good experience Stacy was very nice she is very beautiful we didn't talk too much which was a shame so we did not get to know each other a bit better maybe the whole time with her could of have been better if I had more connection despite being very beautiful there needs to be chemistry for things to work properly, despite everything a 10 out of 10 for the looks and the way she was dressing.
