The Story:

Frankie took me into the room and asked what I was looking for.

I wanted a GFE with her and agreed the price.

Immediately Frankie sat on the edge of the bed and gave me OWO.

I had to ask her to slow down, she seemed eager to get it over and done with.

I asked for a massage and she duly obliged.

There was plenty of kissing available, with some tongue play occasionally.

I then performed oral on her, which she seemed to enjoy.

More OWO on me and then she said "let's have sex".

She covered my hard cock and went on all fours.

I tried to enter her but she complained I was too big for her.

So then we tried it in missionary position. Again she complained I was too big for her.

So she finished me off by hand .

There was no after the moment chat really and I was told to use as many wet wipes as I needed to clean up.

Frankie offered no discount for the lack of penetrative sex.

A rather disappointing punt with a girl who is really attractive and who I had looked forward to seeing.

I have only had one complaint about my size before and that was at the end of a busy shift for a lady.
