although a little seedy looking from the outside the waiting room was pleasant and the madam chatty the room was very nice with a nice big comfortable bed I found the room very relaxing and welcoming

The Lady:

very pretty as was bella very outgoing gorgeous natural boobs and lovely legs with a cute bottom just perfect

The Story:

I got undressed and waited on the bed and when Chloe came in she asked if I would like her to massage me naked or in the negligee I said naked and her gorgeous natural boobs were revealed and I immediately had a feel of them which got me aroused straight away. I lay on my front and had a nice back massage and we chatted and I told her what I liked and she said no problem. I rolled over and she massaged my chest and noticed my growing erection which she massaged to full strength then gave me a fantastic deep sloppy blow job which progressed into a 69 and i enjoyed licking her clit and pushing my tongue into her pussy. when I was ready she spun round and straddled me and began to ride me and the feeling was amazing and very erotic watching her boobs move to the rhythm she rode me for about 5 minutes until I asked her to finish me off with her hands and I got a fantastic baby oil wank to end the session. She had kept me hard and on the brink for all the session and for me to keep hard for half an hour is unusual

I enjoyed myself so much I gave her a £10.00 tip on top of the original £40.00 charge. Fantastic value for money as my last experience in Blackpool was for £60.00 and was crap. I will be looking for the earliest opportunity to visit Alicia's again and hoping I can have Chloe again I will probably go for the hour next time!!
