The Premises:

lovely flat clean and tidy and smelled good. Very homely

The Lady:

Very tall which i like as im tall. expensive but definately a step above most escorts in terms of looks. beautiful pert tits and a smooth pussy. nothing not to like

The Story:

she was pleasant. didnt chat for long as i was in a bit of a rush but she was pleasant and welcomed me nicely as though she was pleased to see me which is always a nice touch bit like a GFE escort.

we kissed with full tongue for a while whilst we felt each others bodies. she was so toned and smooth it was unreal, skin to die for, noticeably better than most girls.

she gave a more than passable blowy and the sex was great. the sex was awesome but the extra money really went on the fact she was hotter than most escorts and her skin and overall look was just amazing.

no problems at all with the sex and build up it was great but she was totally hot.
