The Lady:

Pictures of this lady do not do her justice!!! Much hotter in person if that's even possible.

The Story:

From the moment Missy walked in I knew this was going to be amazing.....and it was!! She was very friendly and and was very complementary when she saw how pleased I was to see her! Lots of kissing and dirty talking, lots of eye contact was made and when I was standing behind her her kissing her neck while she reached behind her wanking my cock all the time maintaining eye contact in the mirror was amazing!! Her blow job was amazing as she let me fuck her face, lots of spit, it was hot. Sex was awesome, lots of positions and she seemed to really enjoy them all, finished off by coming over her pretty face and boobs.

One of the best punts I've ever had, I'm already looking forward to see her again!! Can't recommend Missy highly enough!!! Don't miss the chance to see this lady!!
