The Lady:

Anelise was not the lady in the pictures that turned up!

Girl in pictures is small, petite, rather busty a size 8-10 at most

The 'Anelise' that turned up was, 'Italian', short, not busty but a minimum of a size 18+ (not what I wanted or who I was told would visit!)

The Story:

Paid the £250 'agency' fee, but then I was told all that would cover was a massage, if I wanted 'extras' would cost more, asked to possibly massage her give her oral sex at that stage she asked for £300+ more...

I was lonely and grieving after my mothers funeral one week ago and because of that I wanted some company, so agreed to the extra's...

Whilst I was giving her oral sex, her phone did nothing but buzz, ting and a dozen other noises, all of which were closely monitored.

She asked if I liked a certain substance, to which I said no!

After she came, she immediately had to go to the bathroom, from where she 'liberated' a bottle of my aftershave, then told me the time was up (after one hour!) she then asked for another £200 to stay, which by

this time I felt foolish, disappointed and rather ripped off, she carried on begging me for more money and after the last refusal from me, she just left.

Avoid, don't think this agency has anyone close to the pictures on offer, by fault, as no details for the girls is listed, other than a name.

Terrible time
