Usual Bletchley location, easy to find and discreet.

The Lady:

Stunning young Romanian girl. Profile says aged 22 and no reason to dispute. Long dark hair and gorgeous figure. Great tits and arse, an absolute joy to meet and fit as fuck.

The Story:

Quick stop in after work. Kristen's Twitter pictures show an amazing figure and she is far better in real life. Absolutely amazing enhanced breasts and an arse that I couldn't keep my hands off. Kristen is a lovely girl and we had a brief introductory chat. Some nice kissing before she gave me a covered blow job. Could have stayed there for the full half hour but I really wanted to fuck her. Reverse cowgirl was incredible as she went up and down on my cock. Turned around for normal cowgirl and as she rode me we kissed more and I sucked her fantastic nipples. This young lady is amazing and her energy levels are incredible. Brief switch to doggy and missionary before I asked for cowgirl again. No way was I lasting any longer and the sight of this stunner going up and down on me pushed me over the edge and I had a fantastic climax. Quick massage and chat and I was off home with a smile on my face. A beautiful young lady who really went out of her way to please me. Her friendly manner and great personality were an added bonus. Will definitely see her again but for longer. A perfect end to a busy day, Thank you Kristen and see you soon.
