### The Premises:

### The Lady:

Stunning slim teen beauty with naturally perky boobs and a gorgeous face.

### The Story:

Fantastic time with a gorgeous young lady. Was very surprised when she arrived and spoke in a sexy thick French accent, it really is the language of love! I was so turned on by that sexy accent that I had her talk dirty to me the whole time we were going at it. Great perky boobs, nice owo, enthusiastic. I finished quickly as it was so sexy. But we chatted for a long while after over some wine, she's great company and so smart and elegant. She's studying at uni and does this in her spare time. I'll be taking her on an extended GFE next time as the conversation was fantastic.
