The Premises:

A shop entered from the car park round the back of Carlton public house. Great for secluded parking. Very well kept place and friendly staff. The receptionist is gorgeous and friendly. Shower facilities and various uniforms. Called earlier and the receptionist had the uniform of choice ready. This shows they care, thank you.

The Lady:

Tia is a mixed race girl. Curves in right places about size 14 with nice firm tits. Firm bottom. Beautiful looking you won't be disappointed. I saw Tia years ago at a closed establishment and she has blond hair now. Does full Services. She talks dirty if you want or innocent that's your thing.

The Story:

Tia is a mixed race girl. Curves in right place about size 14 with nice firm tits. Firm bottom. Beautiful looking you won't be disappointed. Does full lesbian 2 girl. Did not bring enough so settled on a one to one. She talks dirty if you want or innocent that's your thing. I had a bit of both. Full on kissing mixed with stripping each other down. Tia held my cock while kissing and said oh wow nice big cock. This got me hard. She knelt in front of me and put my bare cock in her mouth and sucked good. Possibly the best OWO I have ever had. Laid her on the bed and pulled her to the edge to fuck her good with a mac. I opened the bedroom door so her friend could see me fucking her. Her friend said oh yes fuck her good. This was a massive turn on. Mac off then wanked me over her tits and face. Best fuck for ages.
