### The Premises:

Quiet little backstreet car park plenty of spaces and easy to find, clean inside and welcoming.

### The Lady:

Exactly what I needed busty few tats and a great arse. Tight pussy and a pierced tongue perfect for a bit of head.

### The Story:

Arrived a little early and requested a shower offered a drink a couple of times which I declined. Back into the downstairs room and waited for Taylor to arrive when she walked in my cock was standing to attention and handed the notes over. Straight into a DFK then OWO Taylor is great at head could've spunked there and then but held back onto the bed for more head before Taylor got her rabbit out and up inside her what a site and sound of hearing her cum all over it she took it out and told me to suck it which I loved she tasted so sweet gave her fanny a little rub and lick and on with a condom reverse cowgirl wow it was great having Taylor bounce on me and I was in heaven I knew I was going to spunk up so stood at the side of the bed and gave her it doggy spunked inside her and was out the door on my way with a spring in my step for some fireworks back home with the family.
