The Premises:

Usual house just off High St with large carpark & back entrance.

The Lady:

Blonde, about mid 20's has gained weight around stomach since last time I saw her. Good photographer!!

The Story:

I was expecting a new girl "Faye" as advertised, only to find it was [someone who previously used a different working name] I had met before.

Why does the agency allow this??

If I had known that I would not have booked her, but decided to go through with it as I had driven an hour to get there.

Plus points is she is friendly, smiley, good kisser. Gives a lot of spit on OWO.

Downside is she has put on weight around stomach which is a put off for me.

I had trouble getting hard as was disappointed it was same girl, not new one as I was expecting.

I noticed after the punt my face was covered with brown foundation which I had to wash off.

If you want a friendly girl, like a girl next door, I would recommend, but I am not going back.
